STCS NEWS

Congratulations to Mrs. Mary Lou Plesac on Her Retirement from Teaching

After 43 years in education, including 36 years of dedicated service to Southern Tier Catholic School and Archbishop Walsh Academy, Mrs. Mary Lou Plesac is retiring from an extraordinary teaching career marked by faith, service, and a deep commitment to Catholic education.

As one of the most influential educators in the history of our school, Mrs. Plesac has inspired generations of students both academically and spiritually. Whether in the classroom, serving as Director of Spiritual Life, or helping plan school liturgies, she has faithfully lived our mission and helped shape the hearts, minds, and faith of countless young people.

While Mrs. Plesac is retiring from teaching, we are grateful that she will continue sharing her gifts through her music ministry at St. John's. Her dedication to both our school and parish has been a true blessing.

Please join us in congratulating Mrs. Plesac on her well-deserved retirement from teaching, thanking her for her extraordinary service to Catholic education, and wishing her God's continued blessings.

JULY INTENTION: For Respect for Human Life
Let us pray for the respect and protection of human life in all its stages, recognizing it as a gift from God.

15th Sunday in Ordinary Time:

Isaiah 55;100-11: We've been in summer for three weeks, so it's timely to be using the agricultural association of "sowing" the Word of God, with the intent of "yielding a rich harvest" of converted souls. Those accepting the word of God, (Jesus), each become "fruitful" as they allow God to transform their lives into loving lives of service to God and others. Combined together, the sacrifices and efforts of these souls to draw themselves and others to God will be building blocks for the Kingdom of God. Important to reflect on is the Truth that all of these conversions or "germinations" wrought by the Word are accomplished through the Divine inspiration of our God, Himself. As this passage indicates, God's Will and intent shall surely be accomplished. After all, our God is all-powerful!

Psalm 65: "The seed that falls on good ground will yield a fruitful harvest." Let's take time to reflect on the consoling thought that our God has "farmed" our souls. God has "watered" us with countless blessings, "fertilized" us with strengthening trials and "revived" us with His comforting Word. As we just listen to God's word, we begin growing and changing to become more like our God. We become more loving, more charitable, wiser and more compassionate. It becomes much easier to extend mercy and be more forgiving of others after we become more aware of our own imperfections. We grow in awareness of our own faults as we get closer to Jesus, through His Word dwelling within us. It's a gift to us to learn how we must change to become more like Jesus.

Romans 8:18-23: St. Paul's reflection on our total dependence upon God to help us in our earthly times of discouragement and darkness is thought-provoking. Even in our most painful and distressing moments, we're reminded that this suffering is temporary... and not able to be compared to the glory that will follow this time of trial! Meanwhile, we must be careful not to become "enslaved to discouragement." Rather, we're invited and urged to "join in the revelation of the glorious freedom of the children of God!" This "freedom" sets God's children free from fear, hopelessness, bitterness, guilt and regret. Instead, God's "free children" are full of courage, hope, trust in God. Love, forgiveness and gratitude.

Matt 13:1-23: Jesus works hard to teach us! Thus, Jesus uses simple parables, like "the Sower and the Seed" story to help people with limited education to learn about the Word of God and how it takes root in and transforms the soul. God gives us many opportunities to receive the Word of God, accept it and be fruitful.

We have choices to make that influence whether God's Word can and will take root in us and transform us. If we don't understand the Word right away, we may have to make efforts to learn more about a passage. That's the purpose of studying Scripture; to get to know and understand God better. We can also pray to the Holy Spirit to give us a fuller understanding of the Gospel. If our soul is "rocky ground," and we're weak when under tribulation or persecution, we can pray for increased protection from God and for enhanced courage and wisdom to stand up for our faith, despite worldly opposition. If we realize that our soul is full of "thorns," or worldly stressors and preoccupations, perhaps we need to step up our works of charity, to become more "fertile ground."

Thoughtfully,
Deacon Matt
